Terms of the WH Energy-Saving Rebate Program

- Metered water storage rebate amount is up to \$200 for one 100-gallon water heater and mixing valve.
- Rebates will be issued as a credit on your WH account.
- Water heater must be installed within WH service territory.
- Water heater will be on the Metered Water Storage Energy-Saving Program (ESP).
- **From October 1 – April 30:** Recharge between 10 p.m. – 6 a.m., Monday – Friday.
From May 1 – September 30: Recharge between 10 p.m. – 9 a.m., Monday – Friday.
Weekends and holidays: No control except for peak conditions, high energy prices or system emergencies.
- Energy will be sold at \$0.06434/kWh. The energy sold for this program will not be subject to the Power Cost Adjustment.
- Water heater must be sized appropriately for the family and square footage of the home.

- Member is responsible for water heater installation cost and maintenance of the water heater.
- HTP carries a limited lifetime warranty. Register your water heater at <https://htp.secure.force.com/warrantywizard>.
- Manufacturer installation requirements must be followed to ensure you do not void warranty.
- Hot Water Recirculation units (gravity or pumped) are not recommended to be used with the water heating programs.
- Member will pay the cost and arrange installation for all special equipment and/or additional switching mechanism necessary.
- The ESP meter and receiver equipment will need to be located outside the home.
- Contact WH at (763) 477-3000 for final ESP inspection. ESP rates and rebates will not be applied until final inspection is completed.
- **Fill out this form completely. Incomplete forms will be returned.**
- **Please allow six to eight weeks for rebate processing after ESP installation.**
- **The ESP for the water heater will be required to be in place for a minimum of five years.**
- **By applying for the rebate, you are agreeing to the terms of the program.**
- **Must be purchased between January 1 - December 31, 2024. Submit the completed rebate form and a copy of the original sales receipt within 90 days of purchase to:**

Wright-Hennepin Cooperative Electric Association
 Attn: Administration
 PO Box 330
 Rockford, MN 55373-0330

Rebates are available only for the purchase of new 100-gallon electric water heater and mixing valve. Rebate submittal must follow the terms as outlined by the cooperative. WH is not responsible for inaccurate information supplied by vendors. The rate/ credit and rebate offered by this program are subject to change without notice. By participating in this program, participants acknowledge that the pricing and rebate amounts are not fixed and may be adjusted in the future. Participants accept any such changes to the program. Call WH to verify rebate program status at (763) 477-3000.
