

WRIGHT-HENNEPIN ELECTRIC VEHICLE CHARGING SUBSCRIPTION RIDER

I. Availability

Available to all residential members in good standing served by Wright-Hennepin Cooperative Electric Association (Cooperative) with a dedicated electric vehicle (EV) charging station connection.

II. Conditions of Service

- A. Member may be required to complete an agreement to participate in this program.
- B. Minimum length of participation shall be one year, renewed automatically.
- C. The Cooperative can modify or discontinue this rider at any time.
- D. Member is only allowed to charge one EV per subscription charger.
- E. Two categories of vehicles qualify to participate:
 - a. All electric vehicle (BEV)
 - b. Plug-in-hybrid (PHEV)
- F. The Cooperative reserves the right to cancel participation for a member if consumption consistently exceeds 550 kwh per month of off-peak EV charging.

III. Subscription Rider

- A. Monthly flat charge of \$35.00 for EV charging during off-peak hours (Off-peak hours defined in Rider T)
- B. Rider T components shall apply to all EV charging occurring outside of the subscription rider.
